

PIVALLIANIQ AGENTS

THEIR ROLE

The Pivalliani Agent is employed by the Kativik Municipal Housing Bureau (KMHB) to essentially implement the Pivalliani Program.

The Agent is responsible for guiding and coaching KMHB tenants and raising their awareness on the importance of maintaining their homes and immediate surroundings in good condition so that they can live in safe, healthy environments.

THEIR RESPONSIBILITIES

- Visit KMHB tenant families to offer them the maintenance guide and products.
- Impress upon the tenants the importance of taking care of their living environments and raise their awareness as to their responsibilities as present or future tenants.
- Certify families that meet the program's requirements.
- Help families solve personal and social problems by referring them to the appropriate resources.
- Promote Pivalliani values and participate in Pivalliani activities.
